DEAR ALL,

THE E-LEARNING TEAM WITH MOODLE IS PLEASED TO INTRODUCE MOODLE MOBILE APP – THE OFFICIAL MOBILE APP FOR MOODLE FOR STUDENTS AND TEACHERS. THE MOODLE MOBILE APP IS AVAILABLE FOR FREE FROM GOOGLE PLAY AND THE APPLE STORE.

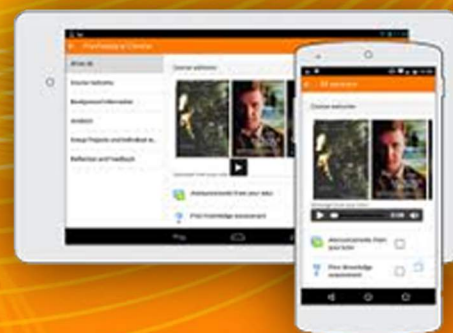

## What does the mobile app do?

The Moodle mobile app will enable you to access FNU Moodle (Weblearn) on your smartphones and hand held devices provided you have data connectivity on the smart devices.

## Moodle Mobile Features – what can I do with the app?

- Browse the content of your courses, even when offline
- Participate in course activities from your mobile device
- Receive instant notifications of messages and other events
- Quickly find and contact other people in your courses
- View your course assessment marks
- Keep up to date with calendar events

## How can I get the app?

1. Google Play
2. Apple Store
